Dear friends and colleagues

Re: EAPCCT Webinar on Methanol Poisoning – 10th September 2021 @ 14:30 CEST

It with enormous pleasure that we announce our webinar on Methanol poisoning.

The two speakers are well-known and respected members of our association, Drs Knut-Erik Hovda (Norway) and Raido Paasma (Estonia). Two other panellists will then join for the 'round-table' discussion and feed questions and comments received from the audience - the EAPCCT President, Professor Horst Thiermann, and the Chair of the EAPCCT Scientific and Meetings Committee, Dr Lotte Høgberg.

This venture would not be possible without the support and generosity of **SERB Emergency Care**, who have been amongst the longest-standing and most loyal supporters of past EAPCCT Congresses. The EAPCCT would particularly like to acknowledge the help of Pauline Gareau in helping get this joint initiative off the ground.

Attached, you will find the flyer for the webinar to remind you to put the date in your diaries.

You can pre-register for the webinar using by clicking on the link below. You will then receive automatic reminders and links for this open-access event.
